———— ABOUT SOFITEL LEGEND METROPOLE HANOI A prominent fixture in the heart of Hanoi since 1901, the Hotel Metropole Hanoi has a long tradition as a luxury venue for prestigious events and a popular rendezvous for business and leisure travelers such as playwrights, ambassadors and heads of state. The Forbes Travel Guide inspectors are always anonymous, paying their own way – so they have the same experience as a typical guest. The hotel includes 364 rooms. Forbes Travel Guide further recognized Metropole Hanoi this year with its new “Sharecare VERIFIED” badge for completing and maintaining verification on more than 360 global health security standards. To rate properties, the team of global inspectors stay at each hotel for a minimum of three days and two nights. The guide’s ratings are among the most highly respected in the hotel industry. ABOUT SOFITEL LEGEND Sofitel Legend is an illustrious selection of heritage luxury hotels where the best of past and present converge. Forbes Travel Guide, established in 1958 (then called “Mobil Travel Guide”), is the oldest travel guide in the United States, and is the creator of the original Five-Star rating system for hotels. We proudly welcome our esteemed guests from all over the world. The suites are named after famous residents and visitors to the hotel (Graham Greene, Charlie Chaplin, Somerset Maugham with private garden) and have access to the Club Lounge. Sofitel Legend is part of Accor, a world-leading augmented hospitality group offering unique experiences in 5000 hotels and residences across 110 countries. The comprehensive assessment covers health and hygiene protocols, cleaning products and procedures, masks and personal protective equipment (PPE), ventilation, management accountability, and health safety communication with guests and employees. sofitel.accor.com | all.accor.com For further information, please contact: Huyen Ha - Marketing & Communications Executive Huyen.ha@sofitel.com Updated January 10, 2022 HANOI (1 Mar, 2021) - For a second consecutive year, Sofitel Legend Metropole Hanoi has been awarded a Five-Star rating—the top level of recognition—from Forbes Travel Guide in the independent ratings agency’s assessment of luxury hotels, restaurants and spas. In the inspector’s highlights for 2021, Metropole Hanoi was again praised as “a supremely beautiful hotel, inside and out. Staff dons an eye-catching array of ao dai costumes, walls glow with local art and ceramics, and detailed explanations of Vietnamese culture are sprinkled throughout the luxury hotel,” the review added. Please note that the winners were surveyed both before the pandemic and once regional restrictions were lifted for guest visitation. Forbes Travel Guide, formerly Mobil Travel Guide, is the originator of the prestigious Five Star Rating system, and has provided the travel industry’s most comprehensive ratings and reviews of hotels, restaurants and spas since 1958. Forbes Travel Guide’s Five-Star rating is meant to designate “outstanding, often iconic properties with virtually flawless service and amazing facilities.” In order to complete their evaluations, inspectors pay their own way and stay anonymously as typical guests for at least two nights. The Metropole Hanoi’s rich history, including its Path of History (and wartime bunker) tour, also gained notice from Forbes Travel Guide, while afternoon tea at Le Club Bar, coffee at La Terrasse and cocktails at Bamboo Bar were described as experiences that have evolved into “must-do Hanoi traditions.” Moreover, Le Spa du Metropole “is a sublime urban retreat... ensconced in what feels more like an elegant residence than a wellness center,” the inspector’s review added. Discover additional hotels and restaurants in Beverly Hills. Forbes Travel Guide bills itself as the only independent, global rating agency for luxury hospitality, and says that only 20 percent of all hotels it rates earn a Five-Star rating. “Health security verification gives you the peace of mind that each hotel is committed to expert-validated best practices for your safety and comfort.” Forbes Travel Guide says of the Sharecare VERIFIED badge on its website. Metropole’s luxurious accommodation and historic facilities earned much praise in the guide, even while the ratings place an even greater emphasis on service, meaning that the Metropole distinguished itself primarily through its warm, personalized and attentive service both in the hotel and in its award-winning restaurants and spa. Forbes Travel Guide is the gold standard for luxury hospitality ratings worldwide.
